## Communicating with home

Our main vehicle for Home/School communication is the SeeSaw learning journal app. The school generates a fortnightly newsletter featuring contributions from pupils, the parent council and the head teacher, which is published via the SeeSaw app.

Children also have the ability to send home snapshots of their learning via SeeSaw, while teachers provide a weekly comment on achievements from the week and next steps in learning.

A member of school management is also on duty daily at the school gate before and after school to answer any queries from home.

Any formal meeting requests can be made by contacting the school via telephone (01576 202228) or emailing the school office at

## Welcome from the Head Teacher

Dear Parent / Carer

Welcome to our school,

We pride ourselves on learning as much as we can about our rural surroundings and outdoor education is at the heart of our school. We have a wonderful forest area and our developments in outdoor education have been recognised in several awards. We were one of the first schools in Scotland to gain LEAF Award accreditation and have maintained our Green Flag status for many years.

While we take pride in looking after our local area, we are also aware of our role as global citizens. We have achieved our Rights Respecting Schools Bronze Award and aim to promote the rights of children around the world. We are eager participants in the Lego League, an international initiative that promotes the development of STEM skills.

All members of our community aim to be ready, safe and respectful.

Yours sincerely

**Elliot Ferguson**  
Head Teacher

## School Aims, Values and Ethos

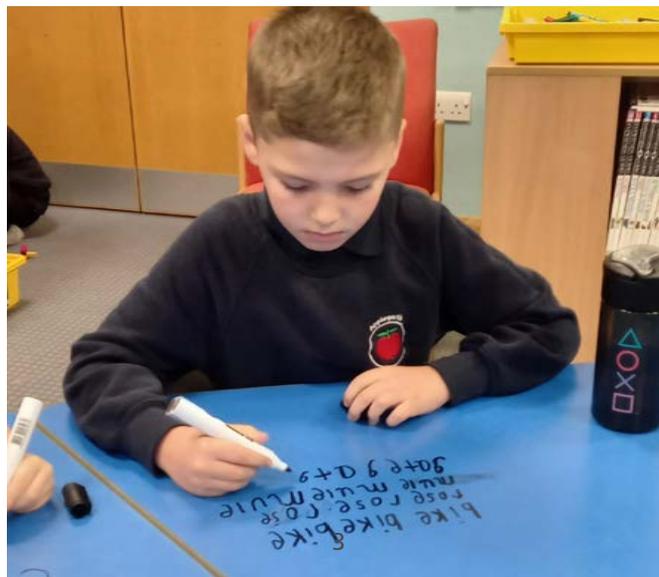

We aim to support and challenge pupils in their:

- Learning to know
- Learning to do
- Learning to be
- Learning to live and work together in a positive, nurturing learning environment

We value the different relationships across our community, drawing on the expertise and generosity of local companies and the great efforts of our Parent Council in ensuring our children have the resources and experiences to fulfil their potential.

Student leadership is crucial in our school, with our house captains and prefects regularly organising wellbeing activities, charity fundraising and formulating content for assemblies and newsletters. We place student voice at the heart of all of our decisions.

We value each and every individual and expect them to be Ready, Respectful and Safe in a positive learning environment.

## How the School Works

### Class Organisation

For organisational purposes, schools are structured into classes. Each year it is the responsibility of the Headteacher to organise the class structure.

For more information, on School class sizes and grouping please visit [www.dumgal.gov.uk/article/16646/School-class-sizes-and-groupings](http://www.dumgal.gov.uk/article/16646/School-class-sizes-and-groupings)

All classes within the school are multi composite. Currently there are 18 pupils in P1-4 and 21 pupils in P4-P7.

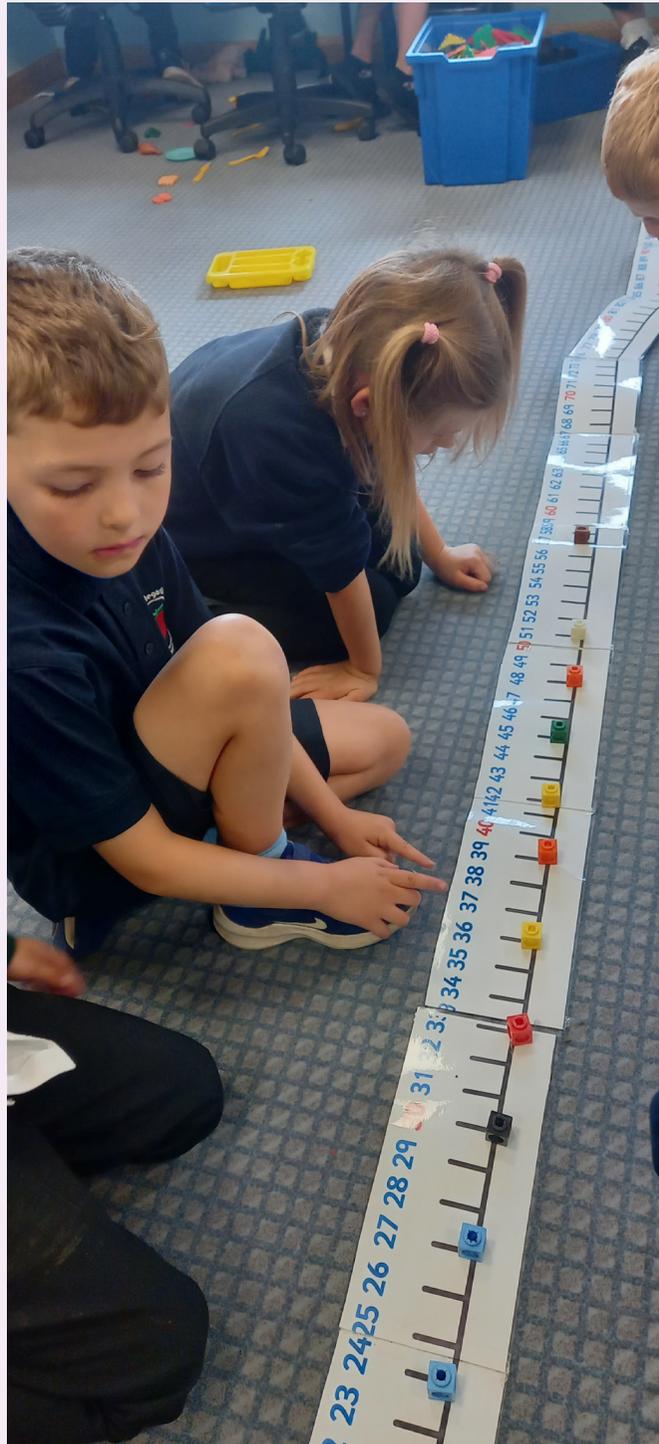

For more information please see the [Education Authority Handbook](#)

### Positive Behaviour and Celebrating Success

The aim of our positive behaviour policy is to promote the setting and attaining of high standards of behaviour within the school. Discipline in school is concerned with the personal and social development of individual pupil values, beliefs, and attitudes, therefore cannot be undertaken by school alone but must be shared by pupils, parents and staff.

All aspects of planned learning inform the celebration of individual achievements. At Applegarth, pupils are given recognition for a range of achievements which help the pupils understand the skills and attributes they have developed. We celebrate success and personal achievements through certificates and awards assemblies and 'celebrations of learning' offering parents the opportunity to come to school and see first-hand learning experiences.

We also regularly celebrate the wider achievements of our children in their experiences out with school during our assemblies and In our newsletter.

Teamwork is a key factor of our school and our house system encourages collaboration and interaction to achieve success, with houses participating against each other in a range of friendly competitions.

For more information please see page 13 of the [Education Authority Handbook](#)

## Curriculum for Excellence

Curriculum for Excellence (CfE), now known as 'Scotland's Curriculum,' is bringing learning to life in the way education is delivered for all 3-18 year olds in nursery, primary, secondary, at college and via workplace or community learning. It aims to respond and adapt flexibly to meet the needs of an ever changing and evolving world and Scotland's place within it. At its heart lies a constant commitment and drive towards excellence and equity, to raise standards, improve knowledge, develop skills for all learners and close the gap between the lowest and highest achievers by ensuring everyone has an equal opportunity to be successful, no matter what their background or circumstances. Ultimately, it aims to nurture children and young people as successful learners, confident individuals, effective contributors and responsible citizens.

### Broad General Education

Children and young people work their way through Experiences and Outcomes in each of the five Curriculum Levels (Early, First, Second, Third, Fourth) and in each of the eight Curricular Areas. The five Curricular Levels span pre-school to the end of S3. This is the Broad General Education. Pupils progress at their own pace, working through the Experiences and Outcomes of the most appropriate level for them. Pupils will be supported in collecting evidence of their achievements, with a profile of these being produced in P7 and S3.

CfE also includes Languages, Expressive arts, Religious and moral education, Sciences, Social studies and Technologies. The responsibility for the curriculum offer in your school sits with the Headteacher.

## Support for All

### Support for Learners

All children receive support at school and nursery to help them learn. 'Additional support for learning' is how we describe any support that is extra or different to the help that most children receive. Most of this additional support is provided by teachers in mainstream classes, focussed on learning and support to be fully involved in school life. For the majority of children and young people this will be delivered in a mainstream classroom supported by their classroom teacher for a few this will mean some additional support alongside the classroom teacher, and for a very few this will be part-time or full-time provision in a school with a learning centre or an inclusion base.

More information is available at [www.dumgal.gov.uk](http://www.dumgal.gov.uk) and on page 18 of our [Education Authority Handbook](#)

### Getting It Right For Every Child (GIRFEC)

You are the expert on your child and what you think matters. Getting it right for every child (GIRFEC) means that the School will always seek to involve you, to listen to your opinions and take them seriously.

More information is available at [www.dumgal.gov.uk/girfec](http://www.dumgal.gov.uk/girfec) and on page 20 of our [Education Authority Handbook](#)

### Child Protection

All children have the right to be protected from harm, abuse and neglect. The vision for all children and young people in Dumfries and Galloway is that they should be: safe, healthy, achieving, nurtured, active, respected and responsible and included. Schools and front-line education and child care services will play an important role in ensuring all children and young people are safe and well.

Further information can be found at <http://www.dumgal.gov.uk/article/16640/Support-for-children-and-families>

Parents, carers and pupils have a key role in keeping the school community safe. We would therefore urge parents to share any information which would keep everyone safe, and to support and encourage their child(ren) to do the same.

### Enrolment in Schools - School Places

Information on enrolment in school and catchment areas is available at <http://www.dumgal.gov.uk/article/15241/School-places> Information regarding catchment areas can be found on the Council's website by accessing "Find My Nearest".

### School Improvements

Each year the school will publish a School Improvement Plan which outlines the key priorities for the school during the year ahead, following engagement with staff, pupils and parents. The plan indicates the expected impact of priorities on pupil learning, as well as providing brief information about the key tasks to be taken forward. Both the report and the plan are published on the school's web-site and are also available in hard copy, on request. A copy can also be found by searching for your school at [www.dumgal.gov.uk/schools](http://www.dumgal.gov.uk/schools)

Our current school improvement priorities are:

- Raising Attainment in Literacy and Numeracy
- Embedding of the use of Digital Technology in learning and teaching to support raising attainment and access to the curriculum
- Foster a shared vision, values and aims in a positive, nurturing, rights-respecting ethos in collaboration in our new partnership

### Health and Safety

#### Emergency Procedures (including Safer Together Guidance)

If your child feels unwell or have hurt themselves during the school day they must report this to an adult in the school. If we feel that they would be better at home we will telephone you or your emergency contact. Minor accidents, e.g. cuts, bruises, are dealt with by the school staff. Serious accidents are few, but should one occur your child will be immediately taken either to your doctor or to hospital, if necessary, and you or your emergency contact will be notified. We cannot stress enough the importance of supplying the school with the relevant information we require in such a situation, i.e. your own home and work number and a telephone number of an emergency contact. **Please remember that if your child stays in more than one home setting contact details should take account of this.**

## Health Care (inc First Aid)

Many children will require their health care needs to be met at sometime within the nursery/school environment, for most children this will be for short periods of time only, but for some children this may require more long-term planning and support. If your child has any health care needs, please contact the school to discuss arrangements. Full details of the support available and your role as a parent and the role of your child are contained within Health Care in Schools 3-18 (NHS and Dumfries and Galloway Council) which is available from the school.

For more information see our [Authority Handbook](#)

## Severe Weather and School Closure Arrangements

Headteachers are authorised to make an emergency closure when the state of the weather or any other exceptional circumstance make it necessary in the best interests of the pupils. In these circumstances parents will be communicated with in a variety of ways including text messages/ phone calls and emergency contact arrangements. All school closures will be notified on the Council Website.

[www.dumgal.gov.uk/article/15240/Emergency-school-closures](http://www.dumgal.gov.uk/article/15240/Emergency-school-closures)

## Data Protection

Information on how the Council uses personal data is available at [www.dumgal.gov.uk/article/15129/Data-protection](http://www.dumgal.gov.uk/article/15129/Data-protection) and [www.dumgal.gov.uk/privacy](http://www.dumgal.gov.uk/privacy)

## ICT in Schools

For more information on ICT in school please see page 14 of the [Education Authority Handbook](#)

## Use of the Internet, Social Networking Sites

As part of the process of learning we allow our children supervised access to the Internet and e-mail. The authority runs its own filter system to ensure that young people are not at risk from exposure to inappropriate material. This filtering system is regularly being upgraded. We have a policy for use of the Internet and a contract for responsible use, which we ask parents and young people to sign up to.
