Welcome from the Head Teacher

Dear Parent / Carer

A warm welcome from all at Kirkbean Primary School. The purpose of this handbook is to provide you with the key information you will need as your child starts at our school. If you have any queries about the content of the handbook, or any questions that it does not answer, please get in touch. We also have a pupil handbook available from the office. I would also encourage you to read our inspection results. We look forward to welcoming you to Team Kirkbean!

Yours sincerely,

Helen Anderson
Head Teacher

For more links and detailed information about how we support parents and work with our schools, please see our [Authority Handbook](#). This also includes a page for financial support for Children and Families.

School Aims, Values and Ethos

Kirkbean Primary School is situated in the centre of the picturesque village of Kirkbean. It is roughly twelve miles from Dumfries and is close to the Solway Firth.

We are proud of our welcoming ethos, colourful classrooms and beautiful building. We are also proud of our attainment and successful inspection results. We have fantastic school grounds which include our own woodland (The Sandy). We hope to add a poly tunnel in the near future. We have our own cook who makes delicious lunches for all of our children on site, every day.

We are an inclusive, 'rights respecting school' (UNICEF). We are partnered with nearby New Abbey Primary; staff and pupils of both schools collaborate regularly.

Kirkbean Primary worked together as a community to create our Vision, Values and Aims. We are incredibly proud of them. During 2023/24, we revisited and improved them. Our bright Vision, Values and Aims 'HEART' posters are displayed throughout our school and permeate all that we do. You may even have seen our banner on the road near our school.

Our Vision: Together, we will create a happy, safe caring and welcoming environment where everyone feels valued. We will respect and help each other. We will provide an inspiring education that prepares our children for the future.

Our Values: Honesty, Equity, Ambition, Respect and Teamwork (H.E.A.R.T.)

Our Aims are defined under four categories and can be viewed on our poster: Responsible Citizens, Successful Learners, Confident Individuals and Effective Contributors. Children often win points and certificates for demonstrating our aims.

Contact Us

The school welcomes suggestions and enquiries from parents and carers.

If you need to find out something

We can be contacted by e-mail, telephone, group call text messages or face to face. Where it is not possible to resolve enquiries straight away, we will make arrangements to follow up as necessary with the most appropriate member of staff.

Comments, Complaints and Compliments

A comment might be some brief feedback about how we have handled a situation or delivered a service. It is best to pass a comment straight to the school so that we can take any necessary action.

If you are not happy with the response you receive or a decision that has been made, you can 'Ask us to Look Again'. You can do this by contacting ParentalInvolvement@dumgal.gov.uk. At this point an Officer will contact you, discuss the issue and direct your enquiry as appropriate.

Remember you can also access Dumfries & Galloway Have Your Say at <http://www.dumgal.gov.uk/article/17349/Have-your-say>

If you remain dissatisfied, the Education and Learning Directorate operate within the complaints handling procedures for Dumfries and Galloway Council. Information on this can be found at www.dumgal.gov.uk/article/15382/Complaints-procedure

How the School Works

Class Organisation

For organisational purposes, schools are structured into classes. Each year it is the responsibility of the Headteacher to organise the class structure.

For more information, on School class sizes and grouping please visit www.dumgal.gov.uk/article/16646/School-class-sizes-and-groupings

We have two classrooms, a General Purpose (GP) Room and a large hall in which we eat lunch and do PE. We have one, P1-7 composite class.

For more information please see the [Education Authority Handbook](#)

Positive Behaviour and Celebrating Success

We have the highest expectations of behaviour at Kirkbean Primary. These expectations are reinforced throughout our school. Our children are encouraged to be ambitious. They are also encouraged to be supportive of each other, showing kindness and consideration.

Pupils, parents and staff created a Positive Behaviour Agreement which includes anti-bullying guidelines and is linked to our Vision, Values and Aims. Children understand the meaning of wellbeing and how they can manage their own, building their resilience. If behavioural issues arise, they are dealt with promptly and fairly using inclusive, restorative methods.

We have a House System and encourage our children to earn House Points. Each week, we celebrate success at assembly and the winning House is rewarded (Maxwell or Oswald). Certificates and stickers can be earned when children demonstrate our Vision, Values and Aims.

Children are also encouraged to share and reflect on

the skills they learn in and out of school. These Wider Achievements are also celebrated and displayed.

For more information please see page 13 of the [Education Authority Handbook](#)

Curriculum for Excellence

Curriculum for Excellence (CfE), now known as 'Scotland's Curriculum,' is bringing learning to life in the way education is delivered for all 3-18 year olds in nursery, primary, secondary, at college and via workplace or community learning. It aims to respond and adapt flexibly to meet the needs of an ever changing and evolving world and Scotland's place within it. At its heart lies a constant commitment and drive towards excellence and equity, to raise standards, improve knowledge, develop skills for all learners and close the gap between the lowest and highest achievers by ensuring everyone has an equal opportunity to be successful, no matter what their background or circumstances. Ultimately, it aims to nurture children and young people as successful learners, confident individuals, effective contributors and responsible citizens.

Broad General Education

Children and young people work their way through Experiences and Outcomes in each of the five Curriculum Levels (Early, First, Second, Third, Fourth) and in each of the eight Curricular Areas. The five Curricular Levels span pre-school to the end of S3. This is the Broad General Education. Pupils progress at their own pace, working through the Experiences and Outcomes of the most appropriate level for them. Pupils will be supported in collecting evidence of their achievements, with a profile of these being produced in P7 and S3.

CfE also includes Languages, Expressive arts, Religious and moral education, Sciences, Social studies and Technologies. The responsibility for the curriculum offer in your school sits with the Headteacher.

The curriculum is defined as, 'the totality of all that is planned for children and young people throughout their education,' Education Scotland. At Kirkbean Primary, we provide a broad, challenging curriculum as outlined in our pupil-friendly overview which is underpinned by our clearly defined Vision, Values and Aims. We utilise our unique, rural setting to teach the children about the natural world and conservation. We work closely with partners and members of the local community in order to enrich learning experiences and build relationships. We provide opportunities for our children to achieve and flourish in the school setting and beyond. Our children are aware of their rights and have responsibilities within the life and work of our school. We value individuality, appreciate diversity and foster a sense of belonging to, 'Team Kirkbean'. We ensure that our children understand the purpose of education and encourage them to be ambitious, equipping them with the knowledge and skills they need to begin to make informed decisions about their future.

Parental Involvement and Engagement

Parent/Carers and the Parent Council

Every parent who has a child at our school is a member of the Parent Forum. The parent council is a group of parents who have chosen to represent the parent forum. As a member of the Parent Forum, each parent can expect to:

Parentzone Scotland

<https://education.gov.scot/parentzone> information about the Curriculum and how you can be involved in your child's learning.

How is my child doing?

There will be several opportunities for you to discuss your child's progress. This may be through informal discussion with the teacher or at Parents' Nights/ Learning Conversations, formal reports or for some it may be through more formal, focussed meetings with other agencies.

Helping Your Child and Family Learning

Our Homework Aims:

- To continue to build on prior learning that has taken place in school
- To provide an opportunity for parents to become more involved in their child's learning
- To encourage each child to develop his/ her skills in various contexts out-with the classroom
- To foster good home/school relations which benefit each child's development

When starting at Kirkbean, all children are provided with a blue, Kirkbean Primary book-bag. This should be checked every evening and returned to school each day. The amount and frequency of home learning will vary throughout the year and will be managed by the teacher, with regard to the needs of the children and home setting. Parents are encouraged to seize this opportunity to work alongside their children and learn more about their child's knowledge, skills and abilities. Effective home-school communication is essential so we use a bespoke Kirkbean Primary homework diary. We will provide guidance so that parents feel confidently able to support their children with their learning.

Support for All

Support for Learners

All children receive support at school and nursery to help them learn. 'Additional support for learning' is how we describe any support that is extra or different to the help that most children receive. Most of this additional support is provided by teachers in mainstream classes, focussed on learning and support to be fully involved in school life. For the majority of children and young people this will be delivered in a mainstream classroom supported by their classroom teacher for a few this will mean some additional support alongside the classroom teacher, and for a very few this will be part-time or full-time provision in a school with a learning centre or an inclusion base.

Getting It Right For Every Child (GIRFEC)

You are the expert on your child and what you think matters. Getting it right for every child (GIRFEC) means that the School will always seek to involve you, to listen to your opinions and take them seriously.

More information is available at www.dumgal.gov.uk/girfec and on page 20 of our [Education Authority Handbook](#)

Child Protection

All children have the right to be protected from harm, abuse and neglect. The vision for all children and young people in Dumfries and Galloway is that they should be: safe, healthy, achieving, nurtured, active, respected and responsible and included. Schools and front-line education and child care services will play an important role in ensuring all children and young people are safe and well.

Further information can be found at <http://www.dumgal.gov.uk/article/16640/Support-for-children-and-families>

Parents, carers and pupils have a key role in keeping the school community safe. We would therefore urge parents to share any information which would keep everyone safe, and to support and encourage their child(ren) to do the same.

Enrolment in Schools - School Places

Information on enrolment in school and catchment areas is available at <http://www.dumgal.gov.uk/article/15241/School-places> Information regarding catchment areas can be found on the Council's website by accessing "Find My Nearest".

School Improvements

Each year the school will publish a School Improvement Plan which outlines the key priorities for the school during the year ahead, following engagement with staff, pupils and parents. The plan indicates the expected impact of priorities on pupil learning, as well as providing brief information about the key tasks to be taken forward. Both the report and the plan are published on the school's web-site and are also available in hard copy, on request. A copy can also be found by searching for your school at www.dumgal.gov.uk/schools

School Improvement Priorities 2023/24

- Review Vision, Values and Aims and reintroduce Pupil Parliament
- Rights Respecting Schools Gold Assessment
- Learning and Teaching – Moderation of pathways and assessment evidence
- Increase amount of outdoor learning

All children from across our partnership were included in the creation of our Pupil-Friendly School Improvement Plan. It is linked to UNICEF's Rights and is displayed throughout our schools. The full-version of our School Improvement Plan is also displayed and is traffic-lit as we work through the actions.

Health and Safety

Emergency Procedures (including Safer Together Guidance)

If your child feels unwell or have hurt themselves during the school day they must report this to an adult in the school. If we feel that they would be better at home we will telephone you or your emergency contact. Minor accidents, e.g. cuts, bruises, are dealt with by the school staff. Serious accidents are few, but should one occur your child will be immediately taken either to your doctor or to hospital, if necessary, and you or your emergency contact will be notified. We cannot stress enough the importance of supplying the school with the relevant information we require in such a situation, i.e. your own home and work number and a telephone number of an emergency contact. **Please remember that if your child stays in more than one home setting contact details should take account of this.**

Health Care (inc First Aid)

Many children will require their health care needs to be met at sometime within the nursery/school environment, for most children this will be for short periods of time only, but for some children this may require more long-term planning and support. If your child has any health care needs, please contact the school to discuss arrangements. Full details of the support available and your role as a parent and the role of your child are contained within Health Care in Schools 3-18 (NHS and Dumfries and Galloway Council) which is available from the school.

For more information see our [Authority Handbook](#)

Severe Weather and School Closure Arrangements

Headteachers are authorised to make an emergency closure when the state of the weather or any other exceptional circumstance make it necessary in the best interests of the pupils. In these circumstances parents will be communicated with in a variety of ways including text messages/ phone calls and emergency contact arrangements. All school closures will be notified on the Council Website.

Use of the Internet, Social Networking Sites

As part of the process of learning we allow our children supervised access to the Internet and e-mail. The authority runs its own filter system to ensure that young people are not at risk from exposure to inappropriate material. This filtering system is regularly being upgraded. We have a policy for use of the Internet and a contract for responsible use, which we ask parents and young people to sign up to.
