

Calibration Fees and Charges 2017-2018

Equipment	Category	Work done	Fee	Statutory (S) or Discretionary (D)
Weights		Testing per weight	£22.80	D
		Adjusting per weight	£18.00	D
Measures	Linear measure not exceeding 2m		£19.20	D
	Other linear measures		£33.00	D
Weighing instruments	All categories (for each instrument)	Testing – time on site plus costs	£94.80 per hour *	D
Measuring instruments for intoxicating liquor	Not exceeding 175ml		£25.80	D
	Other		£40.80	D
Measuring instruments for liquid fuel and lubricants**	Container Type (unsubdivided)	Initial verification	£90.00	D
		Re-verification	£64.80	D
	Multigrade type – 1 meter only operating	Initial verification	£148.80	D
		Re-verification	£114.00	D
	Multigrade type – 2 meters operating independently	Initial verification	£175.20	D
		Re-verification	£132.00	D
	Multigrade type – 2 meters operating in conjunction	Initial verification	£148.80	D
		Re-verification	£114.00	D
	Multigrade type – otherwise	Initial verification	£235.20	D
		Re-verification	£181.20	D
	Other types (single)	Initial verification	£148.80	D
		Re-verification	£114.00	D
	Other types – multi outlets – 1 meter tested	Initial verification	£148.80	D
		Re-verification	£114.00	D
	Other types – multi outlets – 2 meter tested	Initial verification	£235.20	D
		Re-verification	£181.20	D
	Other types – multi outlets – 3 meter tested	Initial verification	£328.80	D
		Re-verification	£246.00	D
	Other types – multi outlets – 4 meter tested	Initial verification	£418.80	D
		Re-verification	£313.20	D
	Other types – multi outlets – 5 meter tested	Initial verification	£518.40	D
		Re-verification	£388.20	D
	Other types – multi outlets – 6 meter tested	Initial verification	£596.40	D
		Re-verification	£447.60	D
	Other types – multi outlets – 7 meter tested	Initial verification	£674.40	D
		Re-verification	£495.00	D
	Other types – multi outlets – 8 meter tested	Initial verification	£751.20	D
		Re-verification	£571.20	D

Calibrations (cont'd)

Equipment	Category	Work done	Fee	Statutory (S) or Discretionary (D)
Road tanker Liquid Fuel measuring Equipment (above 100L)	Meter measuring systems:	Wet hose type with 2 testing liquids	£256.20	D
		Dry hose type with 2 testing liquids	£278.40	D
	Dipstick measuring systems	Replacement dipstick (including examination of compartment)	£71.40	D
Special metrology equipment and services	The fees of examining, adjusting, testing, certifying, stamping, authorising or reporting on work carried out in relation to special metrology equipment or other items shall be individually calculated based on full recovery of the cost of staff time at the place where the service is provided. Specifically:	<ul style="list-style-type: none"> - Automatic or totalising weighing machines. - Equipment designed to weigh loads in motion. - Bulk fuel measuring equipment tested following a regulation 23, 24 or other occurrence. - Weighing or measuring equipment tested by means of statistical sampling. - Establishment of calibration curves for templates. - Templates graduated in millilitres. - Testing or other services in pursuance of a community obligation other than EC initial or partial verification. 		
<p>Explanatory Notes: Calibration fees specified above are subject to discounts as follows:-</p> <ul style="list-style-type: none"> - Where more than one item of the same category of equipment is submitted for test on the same occasion, a discount of 25% on the second and subsequent items. NB This discount does not apply to weighing instruments. - Where labour and test facilities are provided, a discount of 40% per item. - Where no officer travelling time is involved, a discount of 25% per item. - Where complex metrological tests are required, the fee will be negotiated with the customer prior to the tests being undertaken. - A minimum time based charged of 0.5 hour will apply in any category where officer travelling time is involved. <p>The highest discount only will apply.</p>				
<p>* The fees for weighing instruments are based on the time spent on site plus the cost of the hire of any specialist equipment. The hourly rate is £94.80 which includes travel time and travel costs. Minimum charge is £47.40 (half hour).</p>				
<p>** A fee to cover any additional costs involved in testing ancillary equipment shall be based upon the basic fee given plus staff costs.</p>
