

What Can We Do For You?

Our planned preventative maintenance of portable appliances can allow our customers to utilise these resources which are recognised by insurance companies and may support a reduction in policy premium.

Appliances covered by our planned preventative maintenance programme include electrical portable appliances, water coolers and fire extinguishers. We can also provide you with Hygiene Ware and Sanitary Vending options upon request.

Contact

We will offer Best Value by making suitable arrangements to ensure all building facilities are serviced in a manner which considers the economy while being effective and efficient.

Cleaning & Facilities Services

Our Services

Our teams have the experience to fulfill the requirements of any Facilities Services contract, large or small. Our contracts include Building and Window Cleaning; Planned Preventative Maintenance of Electrical Portable Appliances and Water Coolers.

We have over 500 staff members across Dumfries & Galloway. With fleet vehicles available we can react and access each venue quickly, and with the introduction of Total Mobile technology our staff has access to the most up-to-date and relevant information to hand.

Our cleaning teams clean schools, council buildings and a number of external contracts.

We have modern equipment in our cleaning operations and our staff members are fully accredited for health and safety as well as in hygiene.

Important Facts

- * Our staff are fully trained to **COSHH** awareness .
