

Choose to Lead

AWARDS

Leadership SUCCESS

Opportunities

YOUR FUTURE

Qualifications

Life-skills

TEAMWORK

The Choose to Lead Programme offers leadership opportunities for young people 12 - 25 years across Nithsdale.

Develop your leadership skills and gain transferable life skills, nationally recognised awards and qualifications whilst earning the newly branded 'Choose to Lead' t-shirts. Opportunities available in various settings.

How does the Choose to Lead Programme work?

You will be supported through this programme by the Active Schools and Community Sport team and partner organisations including sports clubs and community groups.

The Choose to Lead Programme offers participation in a variety of quality awards from Sports Leaders UK and National Governing Bodies for sport.

The Choose to Lead Programme teaches values, promotes involvement in sport and activity and will leave a legacy to develop our next generation.

On completion of the Choose to Lead level the candidate commits to, they will receive a t-shirt, colour coded to the level of their award recognising their work, experience and commitment. This provides candidates with a tangible aim which they can wear with pride.

#Choose to Lead
