Advice

A fresh application must be made each academic year, including copies of all documents required to complete the assessment.

When completing the application form please answer each section, as best you can, and submit with the relevant financial documentation.

DEADLINES apply for the submission of the application form, so do not delay in sending this form.

You can send the form without the required documents, but you must send them to us once available. We will not be able to make a final decision until we have all the required documents. If you do send any documents at a later date, please remember to include the applicant's name, learning centre and date of birth so we can match them to the application. Late return may affect payments made.

- You can apply for an EMA if you are Home Educated. You must have a history of being home educated.

Provisional Awards

Students may be eligible to receive a provisional award if a self-employed parent is temporarily unable to supply financial details. If a Self-Assessment Tax Calculation (SA302) is not available your parent(s) or carer(s) should send a letter from their tax advisor or themselves or arrange for their accountant to complete Part B of the application giving an estimate of their business profit for the year ended 5 April 2020. You are still required to send the SA302 from HMRC once you receive it.

For provisional award payments paid to those whose parents are self-employed, a stop on payments will be made on 31 December and no further payments should be made until income has been finalised.

If an applicant is paid an EMA provisional award that is not finalised then applies for EMA again in another year, the amount already paid should be deducted before any further payments are paid.

Provisional awards can also be made in cases where the household has experienced a change in financial circumstances as a result of redundancy

Learning Agreement

A Learning Agreement is an agreement between the student and the Learning Centre/School. In order to receive a payment a student must have an acceptable Learning Agreement and it is each student's responsibility to ensure he/she has this. Once you have completed and returned an EMA application and have received an entitlement letter from the Education Support Services please take your letter to your school and they will help you complete the Learning Agreement. Failure to complete/return an agreement may affect your payments.

The EMA is based on 100% attendance and students must normally be on a full time non advanced course and enrolled as full time i.e. attending 21 hours guided learning hours per week. Arriving late at school may also affect your payment. For Youth Guarantee Agreement students and students living in Dumfries and Galloway but studying across the border the guided hours may differ.

School Holidays & Study Leave

Payments are not made for school holidays.

EMA is paid during study leave. S5 pupils will be paid to the end of the school year if returning to school to enter 6th year if not then as with S6 pupils you will be paid until the date of the final SQA exam unless you find employment.

Sickness & Absences

It is your responsibility to contact your school if you are absent due to sickness and it may affect your payments.

Young Carers/Vulnerable Students

- Flexibility and additional support is extended to vulnerable young people. Written confirmation to support the young person's circumstances is required from Learning Centre and/or Support Worker.

Please read the declaration.

If self-employed, a Self-Assessment Tax Calculation (SA302) 2020/2021 should be submitted. If this is not available at time of application other evidence should be sent until it can be obtained for example:

- Part B of application completed by your accountant (if you require this please email us and we will send this to you or you can print this from the webpage)
- FINAL Tax Credit Award for 2019/2020 or
- Tax Credit Award for 2020/2021.

You will still need to send us the SA302 from HMRC when you receive it.

Part C Certificate of Benefits received

If you are in receipt of a benefit please ask your local Job Centre to complete Part C. (If you require this please email us and we will send this to you or you can print this from the web page)

If you are unable to do this please send alternatives to this for example:

- If receiving benefits please request a P60U certificate from the DWP or
- P60 certificate for Widow parents Allowance

- Earnings from the work they do
- Profits from a business if they are self-employed.
- Income from taxable state benefits e.g. Employment Support Allowance, Job Seekers Allowance etc.
- Other income – such as interest from banks and building societies if over £300, and dividends from shareholdings, income from property rental etc.

Benefits from your employer(s)

(e.g. company car and fuel, taxable vouchers and payments in kind from all jobs)

You may have received benefits from your employer which were not paid out in wages but were taxable. These are called benefits in kind. Your employer should have given you information about these by 6 July 2020, usually on a form **P9D** or **P11D**. You do not have to work out the amount of each individual benefit – your employer will tell you the taxable values.

If this applies to you, please provide your P9D or P11D for this EMA application.

If you have not received a form P9D or P11D for the year 6 April 2019 to 5 April 2020 and you think you should have, ask your employer or phone HMRC.

If required you should send confirmation of Lone Parent Status for example:

- Copy of your Council Tax Award letter for 2019/2020

Please provide confirmation of all relevant paperwork relating to your household income with your application.

You can email confirmation of your household income for the full financial year April 2019 to the end of March 2020 to us at ema@dumgal.gov.uk or ask the school to do this for you remembering to state your reference number if you have been allocated one, your child's name and school so we can match documents to your application. Copies are accepted.

Please note that Dumfries and Galloway Council administer the EMA scheme on behalf of Scottish Government – we are not responsible for Policy decisions.
