

Keys to

SUCCESS

in our learning

The Pupil Council in Douglas - Ewart High School

1. Our teacher is approachable, welcoming and makes sure there is a positive learning environment in the class.
2. Our lessons are interactive and we are able to work with partners or in a group.
3. Our teacher discusses topics with us and relates our learning to real life examples to deepen our understanding.
4. In class all pupils are encouraged to understand work fully and are given time to process information to successfully complete tasks.
5. All pupils try to do their best and don't distract each other or the teacher.
6. Our teacher gives us individual feedback to help us understand what we are good at and what we can improve on.
7. Our teacher works with everyone individually in class and is interested in me as a person as well as a pupil.
8. I am confident to answer questions in class to consolidate my learning and receive feedback from my teacher.
