

Pool Conditions – Occasional Licences for temporary outdoor drinking

1. The licensed area (outside drinking area) delineated on the attached plan must be clearly defined and enclosed by suitable barriers (if needed) and controlled so that no drinks consumed on the premises are permitted to be taken from it ;
2. All street furniture including tables and chairs must be removed from the street (if relevant) in accordance with the relevant Road Occupation Permit approved hours of operation and be put in storage no later than 10.30pm each day;
3. At least one designated member of staff must: (i) monitor the outside drinking area at least once per hour ; (ii) supervise admissions to the outside drinking area and (iii) monitor occupant capacity to ensure that it does not exceed the maximum occupancy stated in the licence;
4. All patrons in the outside drinking area must be seated at tables;
5. The outside drinking area must be regularly serviced and be kept clear of empty receptacles, unattended glassware and all refuse removed.
6. No alcohol consumed in the outside drinking area is to be removed from that outside drinking area with the exception of staff carrying out their duties;
7. The licence holder must ensure that all litter/refuse is removed at the end of the trading day and placed in suitable bins;
8. As the outside drinking area can be a source of noise nuisance for neighbouring businesses and residences, the licence holder must ensure that noise is kept to a minimum level at all times;
9. The layout of the outside drinking area must reflect that stipulated in the layout plan
10. The outside drinking area must be operated in accordance with UK and Scottish Government legislation, regulations and guidance relevant to the COVID-19 pandemic whether relating to the protection of public health, restrictions of social gatherings, requirement for social distancing or otherwise, and
