Our Employability and Skills Team provide support for people who have certain barriers, making it difficult to gain employment or improve current employment circumstances.

You can contact us on 01387 260060 or email us at

dgemployability@dumgal.gov.uk to find out if you are eligible for our support and even if we can't help we will put you in touch with someone who can.

The **Directory Of Services** on our local employability partnership website provides information for clients looking for any service that can provide support with improving circumstances for employment.

Kickstart Scheme

If you are an employer looking to create job placements for young people, check if you can apply for funding as part of the Kickstart Scheme.

You can use the Kickstart Scheme to create new 6-month job placements for young people who are currently on Universal Credit and at risk of long-term unemployment.

The job placements should support the participants to develop the skills and experience they need to find work after completing the scheme.

The Kickstart Scheme is available in England, Scotland and Wales.

Funding is available for:

- 100% of the relevant National Minimum Wage for 25 hours a week
- associated employer National Insurance contributions
- employer minimum automatic enrolment contributions

There is also £1500 per job placement available for setup costs, support and training.
