School / ELC Improvement Progress Reporting and Planning Return to Education and Learning

(2022 - 2023)

School: NEWINGTON PRIMARY SCHOOL

Date: JUNE 2022

1. Vision, Values and Aims

An essential element in the improvement process is a shared and agreed vision and set of values. These need to be dynamic, reviewed and referred to continuously. The Vision, Values and Aims statement should indicate the school's stance in empowering the school community and partners, and in ensuring excellence and equity for all learners.

Refer to HGIOS?4 / HGIOELC?: Leadership and Management - QI 1.3 Leadership of Change – Theme 1: Developing a shared vision, values and aims relevant to the school and its community; Learning Provision - QI 2.2 Curriculum – Theme 1: Rationale and design; Successes and Achievements - QI 3.1 Ensuring Wellbeing, Equality and Inclusion - Theme 1: Wellbeing & Theme 3: Inclusion & Equality; Successes and Achievements - QI 3.2 Raising Attainment and Achievement - Theme 4: Equity for All Learners

Our Vision, Values and Aims

School Statement

Following the HMIE Inspection of September 2019 and the subsequent report, the staff have been working on the development areas. The “Letter reporting on progress” was sent to all parents and families on 22nd January 2021. This report noted the school “demonstrates a good capacity for future development”. The progress made during the challenges of the COVID pandemic was noted but there were some areas that would require further input in the coming session.

The planned review of our Vision, Values and Aims with all stakeholders will take place in session 2023-2024 under the leadership of the new HT.

Review Date: This was discussed with the ESO and agreed as a best plan and development opportunity for the new SMT.

Review Activities (as appropriate)

Online review using Teams/Tools/our App to get feedback from parents/families about a range of school matters. Review of activity PEF spending, SIP all undertaken, Marked increase in response using these methods.

In a review questionnaire for parents in May we had over 50 online responses in comparison to the usual 10—15.

Schools should evidence how all of their stakeholders; parents, learners, staff and partners are closely involved in creating and reviewing the Vision, Values and Aims. (If these have not been recently reviewed, please indicate likely review date).

2. School Improvement Progress Report

Include evaluative statement/s on the impact of Covid-19 on priorities.

Looking inwards, looking outwards: What key outcomes have we achieved? What are our strengths and areas for improvement? What is our capacity for continuous improvement?

In completing this section, it may be useful to refer to the statements of impact within the Level 5 Illustration for relevant HGIOS? 4 / HGIOELC? Quality Indicators, National Improvement Framework (NIF) 5 key priorities, the 6 NIF drivers and the National Standard (ELC Only)

Mrs Cubbon from Eastriggs Primary School visited our infant area (30.03.22) to see how we have set up continuous provision. She is hoping to return soon with another colleague. We have also had Andrea Mallaby, PT for Play Pedagogy Early Years visit our P1 & 2 classes and our new outdoor area. (2.01.22) She was very impressed with our play environments and would like to use us as a focus school as she feels that we are further on in our journey than other schools. Andrea met with staff in Term 4(18.05.22) to look at observations from other schools that she has visited and shared ideas.</p> <p><i>Staff within P1 & 2 will work together to organise classroom areas and outdoor provision. Resources will be identified by staff and procured. Mrs Ferguson will support development of planning. Primary 3 staff have identified an area for development for play for their pupils. Mr Kennedy (janitor) will work to develop a plan for this area. Mrs Ferguson will work with staff to develop this area. Mrs Ferguson to</p>

National Standard Criteria

Children will lead their learning and provide feedback to staff about areas/resources they enjoy and talk about their learning

Mrs Ferguson has observed each play environment (8.12.21), looked at play resources, both structured and open ended and discussed play and staff interactions with groups of children, and fed back to staff during January inset. (6.01.22) The General Assistants also attended a collegiate night with Andrea Mallaby to discuss how they could scaffold learning and allow children to lead their learning. (2.01.22) Following this, staff completed CPD about 'Stepping in and Stepping out' on 15.02.22, which talked about interactions and observations. It was evident during the discussion with pupils and Mrs Ferguson how much the children were enjoying learning through play and could discuss their learning and skills, which it promoted and enhanced.

Staff will identify children with additional needs and other agencies and interventions will be put in place to support them such as Talking, Listening and Questioning (TLQ), differentiated tasks and Literacy Intervention.

All children in Primary One were assessed for TLQ and 15 were identified. The children are divided into two groups and Mrs Carruthers is the lead teacher who completed the first sessions followed by Miss Creighton our General Assistant who completes the follow up sessions. Ms McKeown (senior practitioner) supported Miss Creighton on 11.01.22 with further TLQ training. Final results to be completed by end of Term 4. Three children have been identified for Closing the Literacy Gap from P2 and Mrs Ferguson worked with two children in Term 3 and is now working with other in Term 4. Miss Kerr (General Assistant) was trained during Term One for Closing the Literacy Gap and has since worked with three children in Primary Three. Mrs Holliday has undertaken Fastlane Training in Term 4 and our hope is to facilitate her training in the new academic year to support learners. Mrs Ferguson (lead teacher) and Mrs Glass, Miss Kerr and Mrs Charlton completed the Fastlane training in Term One and have since worked with pupils on this. All interventions have been successful, and results have been collated and shared with staff and parents. A copy of results have been sent to Mrs Callander. Mrs Ferguson has had discussions with families who were very thankful for the interventions. Teachers could see the benefits and impact of the interventions too.

Attainment meeting with staff and moderation of learning opportunities both inside and out

This has not yet been completed due to staff absence and cover needed. It is planned for Term 4.

contact Mr Henderson, Clerk of Works, to discuss area. Risk assessments of play areas will be revised and read by staff members.

Staff will develop 'big books' using the active-board and discuss with pupils on a weekly basis. This will be reviewed by Mrs Ferguson at the end of Term Two with staff and pupils to discuss impact in being able to assess learning.

CLG and TLQ interventions will continue to support learners. Mrs Bell and Miss Kerr have asked for training in CNG, which will support learners further in the classes that they support. Mrs Ferguson will look into this intervention for staff.

Attainment meetings to be implemented in next year's assessment calendar. Monitoring of play areas by Mrs Ferguson and discussion with focus groups of pupils

	<p><i>Family learning opportunities—stay, play and learn sessions (PEEP), open evenings to discuss learning and information to support families with their child’s communication skills. Parents/carers will provide feedback about support and family learning opportunities.</i></p> <p>Mrs Ferguson contacted Mary-Ann Riddell (Lifelong Learning Coordinator) regarding PEEP training throughout the year. We have been notified that Mrs Carruthers will participate in this training in September 2022, but we have been offered PEEP intervention for four weeks by the PEEP team who will deliver this for four weeks commencing on 1st June 2022. The communication leaflets produced by Ms McKeown and Mrs Bell were distributed to parents in Primary One and nursery. Mrs Ferguson had a meeting with Eilidh Ross about how to support and connect with families regarding speech and communication. Mrs Ferguson sent out a questionnaire to parents and got 46 responses. Feedback was collated and discussed with Eilidh. A further meeting is scheduled with Eilidh Ross. Mrs Ferguson and both infant and nursery staff to discuss how to identify and further support children and families with speech and communication issues.</p>	<p>to identify next steps and impact of play. Mrs Carruthers will be trained in Term One (2022) for PEEP intervention which will support families. Pupils will be identified for this intervention and questionnaires will be provided for pupils and parents to discuss impact on learners. Communication leaflets will be distributed to nursery, and Primary One parents. Questionnaire will be distributed in Term One to gain views and impact of leaflets. Meeting to take place with Eilidh Ross and infant and nursery staff to discuss promoting speech and communication with families.</p>
<p>2.1.1 Report on the impact of PEF <i>(Not required for ELC if PEF has not been used for children in the nursery.)</i></p> <ul style="list-style-type: none"> • Comment specifically on how PEF is making a difference / closing the attainment gap for identified cohorts of children / young people? • How rigorous is the school’s approach to providing robust evidence of closing the attainment gap? • How well are you removing barriers to learning and ensuring equity for all? 	<p><i>(Include evaluative statements about how PEF has been used flexibly to meet needs of children / young people / families.)</i></p> <p>Our recent HMle inspection noted:</p> <p>“Staff are implementing effectively plans for “Pupil Equity Funding” “The Head Teacher has used PEF to increase and target support for children in literacy and numeracy which has a positive impact”.</p> <ul style="list-style-type: none"> • GA working on P1 support literacy/numeracy and continuous provision. Almost all children continue to make above average progress (PIPs/SNSA). Feedback from staff and parents about the input is very positive. • GA’s in “bubbles” across the school (COVID restrictions). Supporting targeted groups and individuals, undertaking CLG/CNG interventions with PEF pupils/groups. Results from these show significant gains. • “Cost of School day” – HMle noted “The School continue to develop strategies to support families and improve outcomes for children facing challenges”. PEF allows us to provide every pupil with all the materials they need in school. We have materials that can be taken home, time for access to technology etc. Travel costs, extra-curricular activity are all supported by PEF to ensure no children miss out on learning opportunities. Tracking and monitoring includes details from PIPs/INCAS/SNSA which form part of the schools evidence on attainment and achievement. Data shows that our children are making good progress in literacy/numeracy. 	

2.2 Summary of Key Strengths and Areas for Improvement <i>(What is our capacity for continuous improvement?) In giving an evaluation against the HGIOS? 4 /HGIOELC? six-point scale (Column 4), consideration should be given to impact of COVID-19 on the school's strengths and areas for improvement.</i>

3. SCHOOL IMPROVEMENT PLAN 2022 – 2023 *(Limit the number of priorities to ensure they are manageable and achievable.)*

Clearly identify within your School Improvement Plan where you are using Pupil Equity Funding to improve outcomes for learners.

The 'Planned Management of Improvement Area' (Column 4) should indicate lead person/s, resources, time allocations; for example, collegiate sessions. Consideration should be given to how bureaucracy will be reduced and workload managed with the school's 35-hrs Working Time Agreement.

How are you using pupil equity funding to improve outcomes for learners?
