

Major roadworks, Carlisle

We have been informed that major roadworks in Carlisle city centre will result in Devonshire Street being closed to all traffic from Monday 5th February for approximately 16 weeks.

This will result in service X95 operating a diversion from Lowther Street via Victoria Place, Spencer Street and Warwick Road terminating at the Halston Hotel omitting Argos and Railway station bus stops.

Service X95 will depart from Warwick Road and operate right into Lowther Street and serve the bus stop at Club Britannica for normal route.

Please can all our customers note we are unable to serve the bus stop at Carlisle Railway Station during this closure.

We apologise for any inconvenience this will cause that is out with our control.

For information regarding other service please visit the website bordersbuses.co.uk or download our app.
